To the Extra Curricular Participants of Keller Independent School District and their Parents:

The *Extra Curricular Code of Conduct* you are about to read represents the combined efforts of a group of committed teachers, coaches, sponsors, parents, students and administrators who care deeply about the welfare of our students and the success of competitive programs in the Keller Independent School District.

This document emphasizes two enduring truths about extra curricular activities. The first focuses upon the role of the student on campus, in the competitive arena, and in the community. As a student involved in extra curricular activities, you have always been held in high esteem. Whether it is for exemplary personal achievement in individual competition or for outstanding contribution to your team or organization, you are often regarded as a role model. Other students and members of the community look up to you as an example of discipline, skill, sportsmanship, determination, and perseverance. For this reason, you are held to a higher standard of behavior on and off the playing field. The *Extra Curricular Code of Conduct* is an effort by our school district to put this higher standard into writing so that everyone will understand the high ethical ideals the district has for its students involved in athletic activities.

The second thing this document does is stress that *participation in Extra Curricular activities is a privilege and not a right*. The *Extra Curricular Code of Conduct* is not meant to be harsh, punitive or repressive. It should not be seen as a burden on any student. It is our way of communicating clear expectations to students, promoting high ethical behavior among students, and ensuring a safe, positive experience for all. I ask all students involved in extra curricular activities and their parents to join with the Keller ISD Board of School Trustees and the administration in embracing the *Extra Curricular Code of Conduct* and committing ourselves to perpetuating excellence in the Keller Independent School District.

Sincerely,

Dr. Randy Reid
Superintendent of Schools

Standards for District Extra Curricular Activities

Keller ISD students are expected to adhere to the *District Student Code of Conduct* as it applies to school-related and/or school sponsored activities. Prior to participation in a Keller ISD Extra Curricular activity, student and parents must read and sign a copy of the *Extra Curricular Code of Conduct*. As previously stated, students involved in extra curricular activities are expected to maintain high standards of ethical conduct. Extra curricular participation is viewed as a privilege; therefore coaches and directors may develop within their program a more stringent *code of conduct* that is consistent with that of the Keller Independent School District. These codes of conduct will be developed to deal with misconduct that occurs outside of the schools jurisdiction, regardless of time or location. Misconduct that reflects negatively on Keller Independent School District will fall under the Code of Conduct. Disciplinary action or suspension will be mandated to student athletes who are involved in a disciplinary infraction (including, but not limited to drugs, alcohol, tobacco, violent behavior, and other illegal offense) that results in the violation of the district Student Code of Conduct, which in turn results in a CPC assignment. Any offense or violation to the District Code of Conduct or Extra Curricular Code of Conduct, will be considered an offense.

The following administrative procedures have been adopted by the Keller ISD Extra Curricular Department to deal with violations of the Extra Curricular Code of Conduct.

Cumulative Offenses

Disciplinary offenses committed in grades 7 and 8 are cumulative for a student's middle school career, but will not carry on to high school. Any subsequent offenses that occur in high school will be cumulative during the students' high school career.

Exceptions to this rule are if a middle school student commits a Class A misdemeanor or is guilty of a felony. In this case, the offenses will carry from grade 7 through the completion of grade 12
